SHOW DIRECTOR'S MESSAGE

With the graciousness of the Almighty.

Thank you. We are appreciative and deeply humbled by your presence tonight. Nadi Singapura is still blazing in its pursuit, refining every detail of the work we collectively believe. Tonight's presentation is a testament of our relentless effort and spirit in producing original music and productions whilst grooming our next generation of leaders and performers.

The stage remains a sacred place for me. A personal yet public battlefield of imagination and ideas, driven by the minds, body and hearts of the hopeful idealist. BERANI; DEMI MASA – Courage; For the Sake of Time is Nadi Singapura's latest body of work that continues to ride on the potential, possibilities and power our Malay stories, music, rhythms, identity and spirit exude. We believe these attributes and the characteristics are truly unique and is evidently present even when we are stripped off our instruments or our costumes. It forms our understanding, appreciation and curiosity while simultaneously carving a neo-cultural library, challenging our knowledge, skills and vocabularies of sound movement, feeling and sensitivity, spurring instinctive chains of action, formulas and formations to be observed and noticed through our modern contemporary lens.

To our Nadi Singapura Generation 1 cast members, you gave birth and meaning to our grand hustle. We've done this much, gone this far, together. Onwards! My sincerest appreciation to my team of seasoned adventurers (Creatives) – Nizarfauzi Norlie, Fadhli Ramlee, Hafeez Hassan, Fareed Salim, Sarina Sahari, Eddie Amin, Hamizah Abdul Hamid, Mohamed Yaziz Hassan, all our trusted assistants, understudy, technical and production team. Especially to our Generation 2 cast members, our sincerest gratitude for taking on this journey with us. At times it'll get tougher, noisier even quieter, it might be glorious for a second before it turns gloomy. I hope you trust yourselves, trust the process and I believe the journey will unravel its wisdom. Thank you all.

On behalf of the management and the entire family of Nadi Singapura, our heartiest congratulations and sincerest appreciation to each and every one who contributed to the premiere of BERANI; DEMI MASA. Seize each moment and let's cherish every memory together.

Roh yang sama, dengan semangat yang baru, teruslah berani!

BERANI; DEMI MASA

A dynamic percussive production showcasing the rich rhythm of the land and the undying beat of its people.

This new production exemplifies Nadi Singapura's passion and power in extending the performance of traditional Malay drums and percussion as a storytelling medium. Presenting new songs and dance in familiar day-to-day scenes through their unique blend and brand of performance, witness as they unravel the spirit of Berani (Courage).

"Lawan rasa takut di hati, bangkit jiwa (kau jagoh) gagah berani"
(Fight the fear in your heart, awaken your valiant soul)

BAKTI X BERANI

*Hilang suram bangkit sedia
Terpancar menyuluh seri
Riuh rendah suasana
Berdentum denyutan nadi*

*Hidup berpesan kepada diri
Teruskan perjuangan ini
Yakin percaya dan berbakti
Itu ramuan hakiki*

*Hilang suram bangkit sedia
Terpancar menyuluh seri
Riuh rendah suasana
Berdentum denyutan nadi*

*Tak akan ditelan bumi
Yang hilang pasti berganti
Terus kibar dan berani*

*Lai lai lai... lai lai lai...
Lai lai lai... lai lai lai...*

Teruslah berani

TEH-NANG

Toleh ke kanan
Toleh ke kiri
Hayunkan tangan
Goyangkan kaki

Hidup berkawan
Sungguh bererti
Aman berteman
Elok sekali

Ai yai ya la la la la laa
Ai yai ya la la la la laa

Adakalanya rasa tercabar
Dihimpit ditinggal dilupa
(Aduh teh-nang, teh-nang sahaja)

Adakalanya kita dihina
Dituduh tidak diperiksa
(Aduh teh-nang, teh-nang sahaja)

Ai yai ya la la la la laa
Ai yai ya la la la la laa

Bila rasanya porak peranda
Bersangka baik tu kuncinya
(Ayuh teh-nang, teh-nang sahaja)

Begitu hidup kita di dunia
Amalan baik tak dilupa
(Ayuh teh-nang, teh-nang sahaja)

Ai yai ya la la la la laa
Ai yai ya la la la la laa

Toleh ke kanan
Toleh ke kiri
Hayunkan tangan
Goyangkan kaki

Hidup berkawan
Sungguh bererti
Aman berteman
Elok sekali

Ai yai ya la la la la laa
Ai yai ya la la la la laa

LANGKAH JAGOHO

Beragam cita (cita) manusia
Bermacam rasa di (lubuk) jiwa
Lelayang (yang) setia di udara
Tiupan pawana runtuh (a)tau mara

Lawan rasa takut di hati
Bangkit jiwa (kau jagoh) gagah berani

Kecilnya si lada api tak dipandang
Kan Berani bijak bistari
Yang berani hilang takkan hilang
Berani mati mu takkan mati

Langkah jagoh
Langkah jagoh
Langkah jagoh
Langkah jagoh

Ke mana pun kau pergi
Apa yang nak dicari
Illusi atau mimpi, sendiri

Ke mana pun kau pergi
Apa yang nak dicari
Berbisiknya naluri, di hati, kau berani

Langkah jagoh
Langkah jagoh
Langkah jagoh
Langkah jagoh

We make time for the things we love; it inspires us.
It gives us fuel and a sense of hope to carry on no matter what.

Everyone is building.
Everyone wishes to be treated equally.
Men and women alike.
Everyone goes through life differently,
While the clock ticks, the rush and the feelings are the same.

Our sanctuary. Our peace.
Others hungry and long for a piece of that.
So, some will jump across others, finding ways to stay ahead.
Only to find out they're back to where they've started.
Choose kindness.

Is there any left?
There are tonnes right there, where conversations, interaction and exchanges happen.
Every face shares a part of the tale.
A part of what remains...

We flaunt our happiness.
We guard our flaws.
We made promises.
We stand tall.
At times even if it reveals lapse and gaps of emptiness.

A path in a dream reveals possibilities and potential.
Even when the path is less travelled.
It constantly reminds you of stories
of triumphs and the depth of desire one possess.
The choice is in your hands!

You become a living entity.
You become your inspiration.
You become the beacon of light.
You become a living breathing organism
in this cosmic universe ready to take on
every torrential twist.
And you, are your manifestation.
So where do you start?
Wherever you want!
